A portion of EPF Member’s contribution will be deducted as upfront *Wakalah* charges for the services provided under Covered Member’s certificate, and the balance will be kept in the *Tabarru`* Fund as *Tabarru`* Deduction. The pool of money in the fund will be used to pay for takaful claims. EPF Member may be entitled for any distributable surplus from the *Tabarru`* Fund, if any. Please refer to Question 8 for more details.

The exact amount of distributable surplus will be determined annually and is subject to approval by both PruBSN Shariah Committee and Board of Directors.

If there is a deficit arising from the *Tabarru`* Fund, PruBSN will not pay any surplus for that financial year. Instead, PruBSN will provide a *Qard* (interest free loan) to cover the loss and will carry forward this *Qard* to the following financial year. PruBSN may then use any future surplus to pay off the *Qard*. The remaining balance will be treated as distributable surplus.
