## Monthly Update / Laporan Bulanan Terkini

### Fund Review & Strategy

The Fund returned 1.85% for the month, underperforming the benchmark return of 2.19% by 0.34%. Year-to-date, The Fund returned 1.85%, underperforming the benchmark return of 2.19% by 0.34%. Global equities rebounded in January as investors remained optimistic that the newly inaugurated Trump administration would foster a pro-business environment in the US. Stock indices in Europe, the US, the UK, and emerging markets posted notable gains, while Japanese markets remained relatively flat. At the stock level, Boston Scientific's shares saw positive momentum in anticipation of strong fourth quarter results, which were released in early February. Organic revenue growth was ahead of investors' high expectations. The Target Fund's underweight in Microsoft added value as its shares sold off after a Chinese start up (DeepSeek) trained a highly competitive foundational AI model using a fraction of the computing resources required for comparable one. SAP's shares continued to edge higher with the company delivering strong organic growth in its cloud business. The company also guided for strong margin leverage in 2025 which was well received by the market. On the negative side, Manhattan Associates was weak following mixed results. The company delivered strong bookings and cloud growth. However, 2025 guidance was reduced on a material deceleration in the company's services business. Tetra Tech sold off steeply at the end of the month following the announcement that all Tetra's USAID work had been put on pause whilst the new administration undergoes a 90-day review. The Target Fund had no trading activity during the month.

### Tinjauan & Strategi Dana

Dana memberikan pulangan 1.85% pada bulan ini, tidak mengatasi pulangan penanda aras sebanyak 2.19% dengan perbezaan 0.34%. Sejak awal tahun sehingga kini, Dana memperoleh pulangan 1.85%, tidak mengatasi pulangan penanda aras sebanyak 2.19% dengan perbezaan 0.34%. Ekuiti global pulih pada Januari apabila pelabur terus optimistik bahawa pentadbiran Trump yang baru dirasmikan akan memupuk persekitaran yang pro-perniagaan di AS. Indeks saham di Eropah, AS, UK dan pasaran baru muncul mencatatkan keuntungan yang ketara, manakala pasaran Jepun kekal tidak berubah. Di peringkat saham, saham Boston Scientific menyaksikan momentum positif lantaran jangkaan keputusan suku keempat yang kukuh, yang dikeluarkan pada awal Februari. Pertumbuhan hasil organik mendahului jangkaan tinggi pelabur. Dana Sasaran yang kekurangan pegangan dalam Microsoft menambah nilai apabila saham ini dijual selepas syarikat China (DeepSeek) melatih model asas AI yang sangat kompetitif menggunakan sebahagian kecil daripada sumber keperluan pengkomputeran yang diperlukan bagi model yang setanding. Saham SAP terus meningkat lebih tinggi apabila ia menyampaikan pertumbuhan organik yang kukuh dalam perniagaan pengkomputeran awannya. Syarikat itu juga memberi panduan bagi daya umpil margin yang kukuh pada 2025, yang diterima baik oleh pasaran. Dari segi negatif, Manhattan Associates lemah berikutan keputusan yang bercampur-campur. Syarikat ini mencatat tempahan yang kukuh dan pertumbuhan pengkomputeran awan. Walau bagaimanapun, panduan 2025 telah dikurangkan berikutan penurunan ketara dalam perniagaan perkhidmatan syarikat. Tetra Tech dijual secara mendadak pada akhir bulan berikutan pengumuman bahawa semua kerja USAID Tetra telah dijeda sementara pentadbiran baharu menjalani tinjauan 90 hari. Dana Sasaran tidak mempunyai aktiviti perdagangan pada bulan tersebut.
